- Social Studies

Our Purpose

We strive to assist parents with the Christian education of their children. God's Word is applied in every class and activity throughout the day.

It is our goal that the children in our care grow in their knowledge of their Savior Jesus Christ, and be equipped for useful, God-pleasing lives.

The truths of God's Word are instructed through daily devotions, prayers, and Bible study. In addition, all subjects are taught from a Christian perspective and worldview.
