## Play

Play Night is Friday, February 25th. The K-8 grade students will be presenting the musical play "Character Matters". Students have been practicing and parts have been distributed. Please work with your child on memorizing their parts. Look for information coming out soon regarding costumes and props. Students can work on music from the play by accessing recordings on their Music Teams page.

## Mission Offering

Mission offering total for the first semester—\$204.59. Our school mission offerings, collected each Friday morning after devotion, go towards sponsoring the CLC's KINSHIP fund. This fund provides for the bodily and spiritual needs of orphans run by our sister synods in our foreign mission fields, as well as supporting the education of pastors in the seminaries in those fields. May the Gospel move hearts to give to the Lord's work!
