Paddleford River Boat Field Trip

Grades K-8 will be taking a riverboat cruise on the Mississippi River with Paddleford Riverboats of St. Paul on Wednesday, May 25. The cruise is a 45 minute trip on the Mississippi River, starting and returning from Harriet Island in St. Paul. The cruise is narrated, highlighting the history and natural beauty of the Mississippi River. The cruise begins at 12:00 pm. We will be leaving school at 10:55 for Harriet Island, where they eat lunch at Harriet Island Park (student will bring a non-microwaveable packed lunch) before boarding the riverboat. The cruise is 45 minutes long. We should be back to school by 1:30 pm that day. If you would like to drive and chaperone for this field trip, please contact Mr. Thurow.

Music/Awards Night

The year-end Music/Awards Night is Thursday, May 26th, at 6:30 p.m (note the change in time from previous announcements). The program will include a concert by the band, the music program, Kindergarten graduation, and presentation of awards. We will also be thanking and recognizing Mrs. Rehm for her 24 years of service in teaching at Berea. The program will also be live-streamed. Please note that all students are required to attend, since they will be performing music that they have been working on in Music class for the last couple of months. All parents are asked to provide a dessert or snack to pass for refreshments following the program. (Serving and cleanup: Committee #2—Spanagel, Haight, Schierenbeck, Lang, Mack)

School Picnic

The School Picnic (committee #3 – Arndt, Aymond, Heitzman, Sydow, Hartmann, Starland) will be on the Last Day of School, Friday, May 27. We are planning on having the picnic at Meadows park in Rosemount. Please look for additional announcements regarding the school picnic soon.
