## Christmas Band Performance

## Christmas Caroling on Dec 21st

Grades K-8 will be going Christmas caroling on the morning of Wednesday, Dec. 21st to various Berea members. We are looking for some volunteer drivers for this. Please let Mr. Thurow know as soon as possible if you can help.

## Christmas Gift Exchange

Students drew names last week for our Christmas Gift Exchange which will be held on the day of the Christmas party, Dec. 21st. Please keep gift values between \$5 and \$7 dollars.

## Christmas Eve Service

Recitations and songs for the Christmas Eve service have been distributed. Look for parts and songs to be included in your child's daily memory work in the weeks ahead. Please work on their Christmas service memory work with them. Practices will be held after service on Sundays, December 11th and 18th.

## Winter Weather

Please send winter gear with your children (boots, winter coats, hats, gloves, snowpants, etc.). Teachers will make a decision each day whether to go outside for recess, but students should be prepared for that possibility each day. If students are going outside, and a student does not have proper winter gear at school, they will not be able to go outside for recess. For weather closings, we will close due to weather when District #196 Rosemount-Apple Valley-Eagan closes. This year, District #196 may go to e-learning due to bad weather days. If this happens, Berea will close. A text will be sent by JupiterEd when that is the case, so if you sign up for text alerts in JupiterEd, you will receive that text. An email will also be sent in the event of school closing.
