## Talent Show Reminders

We will be running through the acts for the talent show at school this Friday, Feb. 19th and on Wednesday, Feb. 24th in preparation for our Talent Show, which will be held at 1:30 pm on Friday, Feb. 26th. Students should have their acts fairly well ready to go by the 19th practice, with needed props and equipment. If costumes are desired, those should be at school by the 24th practice, as that will be a "dress rehearsal" run-through of the Talent Show.

The Talent Show will be live-streamed via Zoom, and will also be recorded and archived for later viewing. Watch for the link to the Talent Show Zoom "meeting" that will be emailed to all school parents next week. You may then forward this to family, friends and relatives for them to join also. We will attempt to have the Talent Show archived to the Berea YouTube page as well for later viewing.

## Valentine's Party

The students enjoyed making crafts, playing games, and sharing their valentines with each other last week. This Friday, the kids will participate in some outdoor activities. Be sure to send along warm winter gear that day!

## Standardized Tests

The tests have been sent in for scoring. Results should be ready within the next month and will be forwarded to parents at that time.

## Drinking Water Reminder

Please remember to send water to school each day with your child. There are water bottles available at school for students who forget their own, but this is not intended to be a regular supply for your child.

## School Composite Photos

School composite photos from Picture Day back in September are included in this week's folder. We received a large number of these, and have quite a few extras. Please contact Mr. Thurow if you are interested in extra copies.
