## Back-to-school Reminders

With the 2021-2022 school year now underway, we ask the Lord's blessing upon our school, students, staff, and parents.

As we start off a new school year, there are a few items that we would like you to be reminded of:

**School Supplies:** During the first few days of school, teachers went over needed school supplies with the students. Please make sure your children have any supplies that they were still in need of to start the school year. Remember also to check with your children often and replenish any needed supplies.

**Building Security** Doors will remain locked during the school day, Monday-Friday, 8:15—3:15. Parents were emailed a 4-digit access code to enter at the upper school door. This code will be reset each quarter. Please do not share this code with anyone. If you forget the code and need access to the school during the day, please text Mr. Thurow.

**Drop off and Pick-up:** Please drop off your children no earlier than 8:00 am. If you need an earlier drop-off time, please contact your child's teacher for permission. Please pick up your children as soon as possible after school. If you know you will be late, please contact your child's teacher. Take care when entering the parking lot and going up drive. Watch for children.

## CDSA Meeting

Notes from last Thursday's CDSA (Christian Day School Association) Meeting are attached to this newsletter. Please contact chairperson Heidi Havemeier with any questions.

## Cross Country Meet

The Cross Country team is planning to attend the meet at Immanuel Lutheran in Eau Claire, WI on September 25th at 10am. Tamar sent out an e-mail to the team with all the details. If you have any questions, contact her at [tamar.pfeiffer@gmail.com](mailto:tamar.pfeiffer@gmail.com).

## Notes from Pastor:

**7<sup>th</sup>-8<sup>th</sup> Grade Catechism Parents** – please have your child recite their memory work to you each evening. This will help ensure that the passages are sinking in and cuts down on in-class recitation, allowing more time for instruction. Psalm 119:11 ***Your word I have hidden in my heart, That I might not sin against You!***

~ This week we will be grading memory work and homework assignments to help the students and families gauge their class work.

**All Berea families** – Friday Morning All School Devotion – parents are welcome to attend our Friday morning devotions in the sanctuary at 8:15. Beginning this Friday, we also plan to resume streaming our devotions live on our YouTube channel – [www.YouTube.com/c/BereaLutheranChurch](http://www.YouTube.com/c/BereaLutheranChurch)

## Friday Devotion Mission Offering

Each Friday, in connection with our all school devotion, students are encouraged to bring an offering to school for CLC Mission work. The offering will be designated for Project KINSHIP. This is a CLC program that offers financial help to our overseas missions, specifically to orphans and men training to be pastors there. Please remember these souls in your prayers and encourage your children to give to the Lord through these offerings.

## Picture Day

Picture Day has been rescheduled for Wednesday, Nov. 11th. Lifetouch Photography does our pictures each year. More information on ordering picture packets will be coming.

## Thank you!
