## Field Day Volunteers

Field Day will be held on Friday, May 12th. It will be at Rich Valley Park, hosted by Berea. Field Day is an annual event for 5th – 8th grade students in which area CLC schools participate in various track and field events. We are looking for volunteers to help with running events, chaperoning students, serving and preparing food, and tabulating results. If you can help, please contact Joelle Gamble [joelleroo@yahoo.com](mailto:joelleroo@yahoo.com) or speak with Mr. Thurow. 135 kids from 6 different schools will be attending, so many hands on deck would be appreciated!

## 2023-2024 Pre-Registration Form

In order to make decisions regarding ordering books, getting school supplies, and making other preparations for the 2022-2023 school year, the faculty and Board of Education is collecting information regarding enrollment, transportation, and our CDSA (Christian Day School Association) for the upcoming school year. Included in this e-mail is a link to the online Preregistration form. Please fill out the form as soon as possible. This link will

also be posted on the school website. A 2023-2024 school calendar is also posted on the website. A more detailed calendar, with meetings and other school events will be distributed this summer.
